

We welcome both generalist and specialty dealers to complement our typical 20 dealer bourse. Those with a worldwide stock, new issues and/or postcards will especially find a niche at our show. Most also find dealer-to-dealer pre-show sales and acquisitions useful in moving and finding material.

We are lowering our table fees in 2016 to pass along the savings of normal expenses associated with WSP requirements.

Find out full show details on our ROPEX web site at <http://www.rpastamps.org/ropex.html>, including a printable and online dealer application form. If you prefer, fill out the form here and mail it along with a \$100 deposit to:

Come to ROPEX 2016!

The beautiful Finger Lakes region and western New York welcomes you to ROPEX! Sponsored by the Rochester Philatelic Association, our 2016 show is a super-regional event. We are taking a bye as a national WSP event due to the World Stamp Show-NY 2016 international taking place the following week in New York City.

Located less than 30 minutes southeast of Rochester, Canandaigua is easily accessible to patrons and dealers right off the New York State Thruway. This will be our second year at the Greater Canandaigua Civic Center, a spacious arena all on one level. Loading areas on both ends of the facility provide for easy loading and unloading access.

ROPEX attendance over the three days has typically exceeded 400, primarily made up of collectors from throughout the northeast as well as Ontario and Quebec, Canada.
